Re: ISO 9001/14001 Registration.

Att: All clients

Dear Sir/Madam,

QM.UK would like to confirm to all interested parties that we have now contracted our Quality, Health, Safety & Environmental Management Consultancy services to [Ridge-Interiors](#), to fulfil their objective of achieving ISO 9001, 14001 & OHSAS 18001 Registration by May 2009.

In the coming months we plan to help develop a QHSE Management System focusing on Customer Satisfaction, targeting optimum operational efficiency with minimal health, safety or environmental impact, capable of sustaining Continual Improvement within the organization.

We trust this initiative will further enhance [Ridge-Interiors](#) customer relations & prove a clear indication of their growth & development aspirations, while still minimising the impact of their activities on health, safety & the environment in the deliverance of their quality service.

Best Regards,

G. McCormick

Managing Director.
